Title: Wilmeth's History

Author:  
-----

Wilmeth was a God  
of good alignment,  
capable of taking on  
many forms. During  
the dark times when  
Unelak and his  
minions threatened the  
balance of the realm,  
Wilmeth appeared in  
many forms to assist  
the brave warriors in  
their battles. It  
wasn't until much  
later that these  
warriors learned of  
his true identity and  
the role he played in  
helping them to defeat  
Unelak's servants,  
Tremain and Julius.  
This knowledge came  
at a time that the  
Town of Wilmeth  
was just being formed,  
and a name was  
needed for this humble  
grouping of  
establishments. And  
so, in tribute to this  
God who inspired and  
assisted us all, the  
name of Wilmeth was  
selected.

Wilmeth is a place  
where all can hang  
their hats, enjoy a  
moments peace with a  
book, enrich their  
knowledge or simply  
swap gossip over a  
mug of ale. A place  
where friendship and  
adventure walk hand  
in hand and all races  
roam the streets and  
alleyways.

Lady Analeiza introduced her guild members of H\*C to the idea of inhabiting this town. Her guild was founded on helping others to achieve their goals, providing friendship and adventure and teaching others the ways of the lands. It seemed only fitting that this group inhabit the town of Wilmeth, and so, they made the move from an area West of Minoc and took up residence in Wilmeth.

H\*C members, together, formed the first establishment of the town - Wilmeth Academy. Here people from throughout the lands can attain knowledge on topics from cooking to the importance of the Virtues set forth by Lord British.

The town continues to grow and expand throughout the Forest of Samlethe.

Walking the streets of Wilmeth, you're likely to run into all manner of people and races. Wilmeth is a place of peace, a place of knowledge, a place of friendship and yes, even a place of turmoil at times. Tis to be expected where all races and alignments come together. We welcome you to our establishments and hope you find with us the true pleasures of life's adventures.
